

Public Disclosure Copy

This public disclosure copy is being provided to the organization pursuant to Section 6104(e).

Tax-exempt organizations are required to make a copy of the annual information return, e.g., Forms 990, 990-EZ, 990-PF, as well as Forms 990-T and 4720, if applicable, available for public inspection and to provide copies of such forms to individuals or organizations that request copies. The public inspection requirement applies to all required schedules and attachments of the annual information return. Most commonly, the public inspection copy redacts contributor information such as name and address from public record. The public inspection rules apply to annual information returns filed for the last three years. Failure to comply with disclosure requirements can result in an enforcement action by the IRS.

Where Must Information Be Provided?

Generally, an organization must make its documents available for public inspection at any location where it has three or more employees. If the only services provided at the site are in furtherance of exempt purposes and the site does not serve as an office for management staff, the documents are not required to be made available there. As an alternative to providing copies, an organization may provide access to these forms through the organization's website. The website must provide instructions for downloading the document(s). The information on the website must be in such a format that it may be accessed, downloaded, viewed, or printed in the same format as the actual documents. An organization would need to make the web address available to the general public.

How Quickly Must Organizations Reply?

Requests for copies can be made in person or in writing. When requests are made in person, the copies must generally be provided on the same business day. There are provisions for delays due to unusual circumstances. However, in no event may the period of delay exceed five business days. Unusual circumstances include times when those staff that are capable of fulfilling a request are absent. Requested copies generally must be mailed within 30 days from the date of the receipt of the written request. However, if the organization requires advance payment of a reasonable fee for copying and postage, it may provide the copies within 30 days from the date it receives payment rather than the date of the original request.
